

One Glasgow

Initiative

One Glasgow

“Integrating student communities in Glasgow through cultural exchange and collaboration”

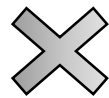

Student Communities

Student Societies

Student Union

Universities

Example: WeChat Project 2020 at the University of Edinburgh

Student Leaders

The Council of One Glasgow

comprised of international student society presidents

PLATFORM

to engage with
student societies i.e.
sharing information
about events,
society updates and
partnerships

THINK TANK

to find student-led
solutions for
improving
integration of student
communities in
Edinburgh

LEADERSHIP

a mentorship
programme with
experienced
professionals for student
leaders including
fireside chats etc.

The City of Glasgow

Mentoring & Networking

Business Collaboration

Scottish Business looking to
work internationally/set up
abroad

International students studying
in Scotland with unique
insights about home country

Global opportunities for
business; work
experience/reward for students

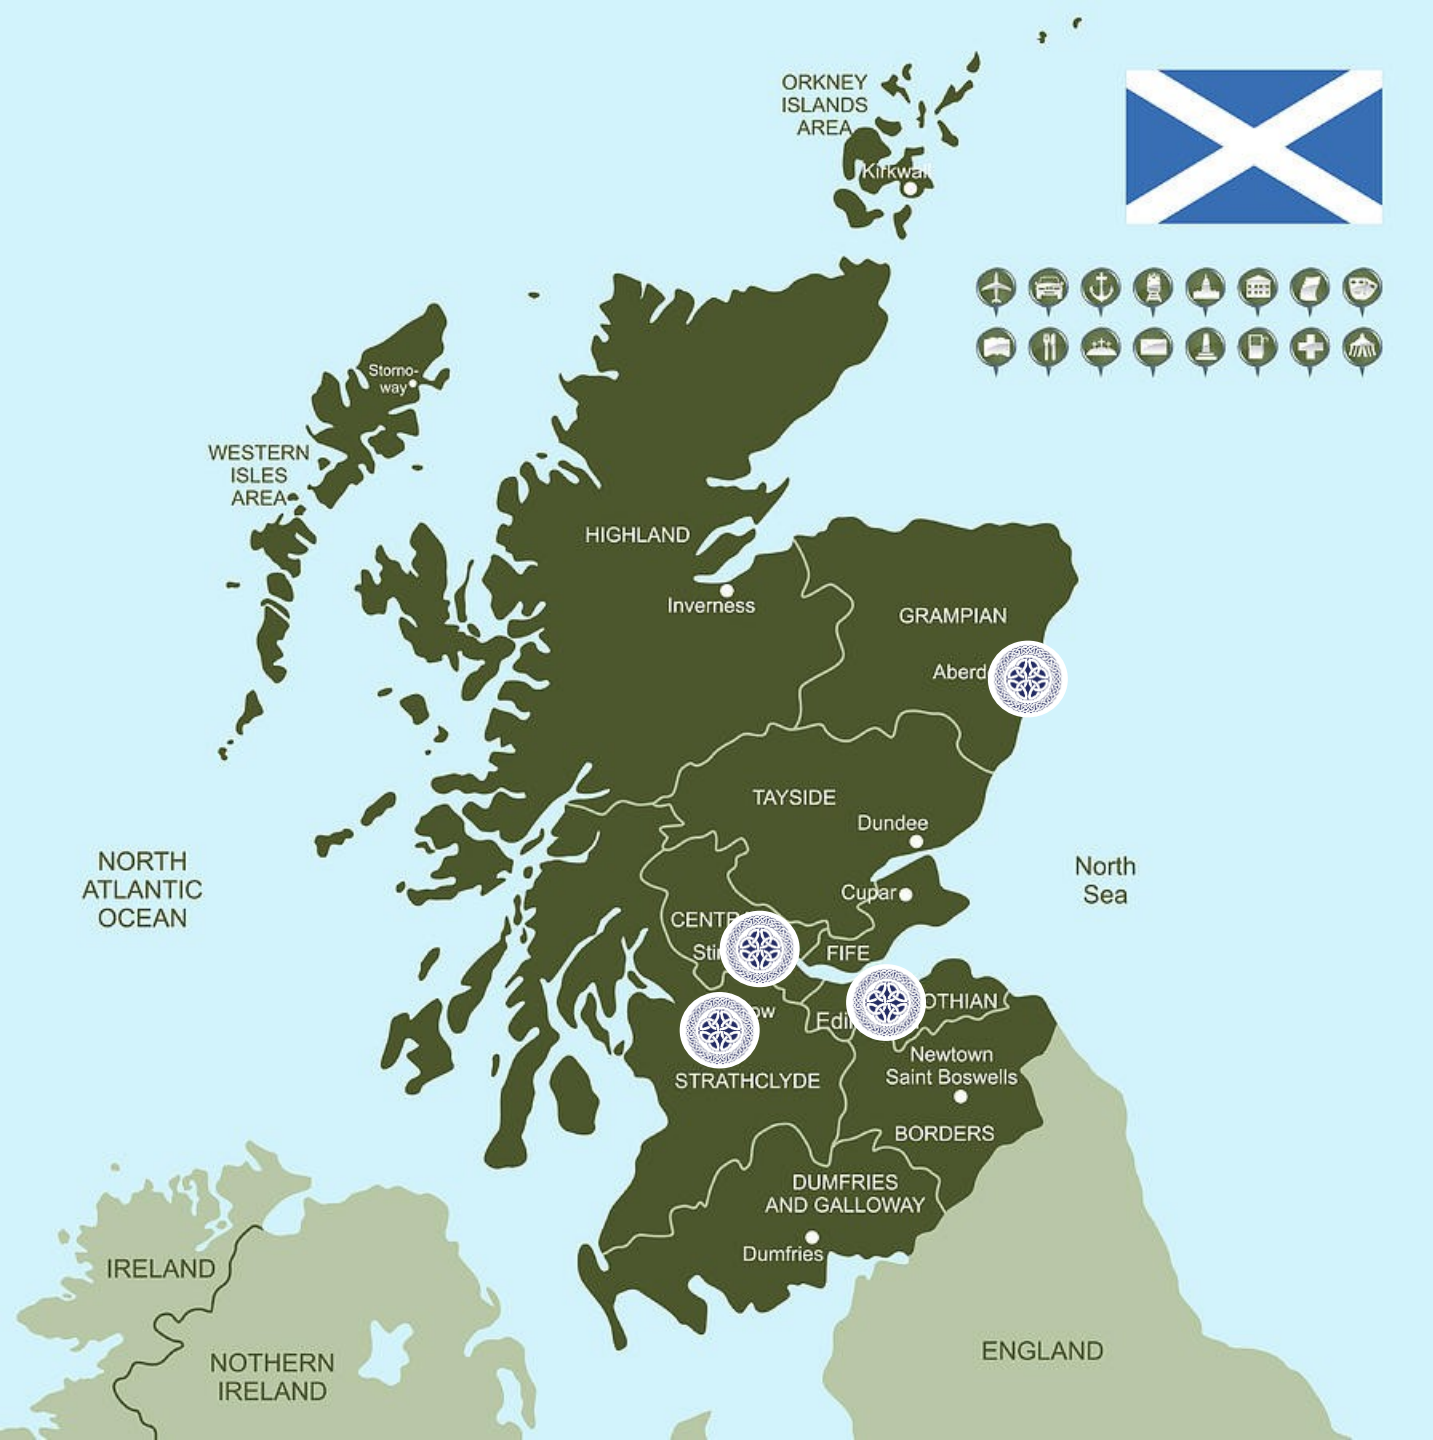

One Glasgow serves as a bridge between businesses and students: centralises applications of internships and professional development opportunities; provides students with work experience/part-time jobs; provides businesses with unique insights on society, culture, politics, social media etc.
